

## H.O. Foundation: Plans for 2020

November 2019

### Plans for 2020:

In September 2020, the application submission for the next round (2020/2021) of the Harry Otten Prize will start. We are planning to increase the amount of publicity by spreading our advertisements to yet more countries and organizations. The prize will be awarded in September 2021.

At the end of 2019 Tanja Cegnar will retire from the Board and the Board is currently looking for a successor for Tanja. Her successor is planned to start in early 2020. Furthermore, David Burrige will leave the Board in the Spring of 2020. His successor as treasurer will be Dennis Schulze, who will take over then. Dennis has served the Board as treasurer in previous years and this will guarantee a smooth transition in the Board's financial management. By the end of 2020 Leo Kroon will have to leave the Board as his second 3-year term comes to an end and he will be looking for a suitable successor. His role as chairman of the Board will be taken over by one of the existing Board members.

A planned budget for 2020 can be found in the Annual Report 2019 in Table 3. |
